

Mission Statement and Performance Measurements

This Mission Statement and Performance Measurements was adopted by the Board of Directors of Yates County Industrial Development Agency, a public benefit corporation established under the laws of the State of New York, on this 20th day of May, 2020.

Name of Public Authority: Yates County Industrial Development Agency (the “Agency”).

Agency’s Mission Statement:

Assist in the enhancement and diversity of the economy of Yates County (the “County”) by acting in support of projects in the County that create and/or retain jobs and/or promote private sector investment utilizing the statutory powers of the Agency as set forth under the provisions of the laws of the State of New York.

Agency Stakeholders:

Agency Stakeholders include the following: (A) The County Administrator of Yates County, (B) The members of the Legislature of Yates County, (C) The residents of Yates County, (D) The businesses located or intending to locate in Yates County, (E) The school district, (F) the State of New York, and (G) local trade unions.

At a minimum, Agency Stakeholders expect the Agency’s members to carry out the business of the Agency in a manner that accomplishes its mission while strengthening the local economy.

Performance Measurements:

- A. Number of firms assisted (with cash, loans, technical assistance, problem solving) by the Agency.
- B. Number of jobs created with help from Agency assistance.
- C. Number of jobs retained with help from Agency assistance.
- D. Capital investment made in the County (both total and private funds leveraged with public assistance).
- E. Number and dimension of efforts to support local efforts that support continued job growth and economic gains for the County.
- F. Number and dimension of efforts to support regional efforts that support continued job growth and economic gains in the region.
