Penn Yan Downtown Revitalization Initiative Public Survey launches

Penn Yan, NY, November 28, 2018 – The Village of Penn Yan Downtown Revitalization Initiative Local Planning Committee wants to know your thoughts on Downtown Penn Yan. A survey has been launched to get input from area residents. It will be available on the Village, Finger Lakes Economic Development Center and the Yates County Chamber of Commerce websites. Paper copies will be available at Village Hall and the Public Library. The survey will help the Village, its economic development partners, businesses, and developers understand the public's perceptions of downtown, as well as the types of new businesses and public improvements desired.

Whether you are a Village resident, County resident or visiting the area, please take a few minutes to fill out the survey. Survey responses will be accepted until the end of December.
