York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct and install one or more "projects" (as defined in the Act) or to cause said projects to be acquired, constructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, Dresden Commons Inc., a New York business corporation (the "Company"), submitted an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in a parcel of land containing in the aggregate approximately 8.74 acres located at 89 Main Street (Tax Map # 39.75-1-1) in the Town of Torrey, Village of Dresden, Yates County, New York (the "Land"), together with the existing improvements located thereon (collectively, the "Existing Facility"), (2) the construction of an addition to the Existing Facility to contain approximately 4,000 square feet of space (the "Addition") (the Addition and the Existing Facility hereinafter collectively referred to as the "Facility"), and (3) the acquisition and installation therein and thereon of certain machinery and equipment (the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to be owned and operated by the Company and to constitute an expansion and improvement of the existing nylon fiber deburring technology facility and other directly and indirectly related activities, (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance") and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, at the time that the Village determined itself to be the "lead agency" with respect to the Project, it was not known that the Agency was an "involved agency" with respect to the Project, and, now that the Agency has become an "involved agency" with respect to the Project, the Agency desires to concur in the designation of the Village as "lead agency" with respect to the Project, to acknowledge receipt of a copy of the Negative Declaration and to indicate that the Agency has no information to suggest that the Village was incorrect in determining that the Project will not have a "significant effect on the environment" pursuant to SEQRA;
