WHEREAS, the Project Agreement, the Lease Agreement, the Leaseback Agreement, the Tax Agreement and related documents will be negotiated and presented to the Chairman, Vice Chairman or Chief Executive Officer of the Agency for approval and execution subject to the adoption of the resolutions herein.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE YATES COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Yates County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) Based upon a review of the Application and the Short Environmental Assessment Form ("EAF") submitted to the Agency, the Agency hereby:

(i) Accepts the EAF and related materials received from the Company in connection with the Agency's review of the Project for purposes of complying with SEQRA; and

(ii) Finds that the Project involves an "Unlisted Action" (as such quoted term is defined under SEQRA). The Agency's review is "uncoordinated" (as such quoted term is defined under SEQRA). Based upon the review by the Agency of the EAF and related

documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (a) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environmental; (b) the Project will not have a “significant effect on the environment” (as such quoted term is defined under SEQRA); and (c) no “environmental impact statement” (as such quoted term is defined under SEQRA) need be prepared for this action. This determination constitutes a “negative declaration” (as such quoted terms are defined under SEQRA) for purposes of SEQRA.

Section 2. The Agency is hereby authorized to provide to the Company the Financial Assistance in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction, renovation and equipping of the Project, and (b) a partial real property tax abatement structured through the Tax Agreement.

Section 3. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to State and local sales and use tax in an amount up to **\$200,000**, which result in State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed **\$16,000**. The Agency agrees to consider any requests by the Company for an increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 4. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any Sales and Use Tax Exemption Benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 5. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with

the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; *provided, however*, the Project Agreement shall expire on **October 31, 2022** (unless extended for good cause by the Chief Executive Officer of the Agency) if the Lease Agreement, the Leaseback Agreement and the Tax Agreement contemplated have not been executed and delivered

Section 6. The Chairman, Vice Chairman or Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to negotiate and enter into (A) the Project Agreement, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (D) the Tax Agreement; *provided, however*, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project and (ii) the terms of the Tax Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 7. The Chairman, Vice Chairman or Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to execute, deliver and record any mortgage, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") (collectively, the "Mortgage") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance the Facility or equipment and other personal property and related transactional costs (hereinafter, with the Project Agreement, Lease Agreement, Leaseback Agreement, Tax Agreement and the Mortgage, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman or Chief Executive Officer of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman or Chief Executive Officer of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 8. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 9. These Resolutions shall take effect immediately upon adoption.
