SECTION 4.02. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

- (1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 of the Lease Agreement, and (b) all other payments due under this Uniform Agency Project Agreement or any of the other Basic Documents; or
- (2) terminate the Lease Agreement and the Payment in Lieu of Tax Agreement and convey to the Company all the Agency’s right, title and interest in and to the Project Facility (the conveyance of the Agency’s right, title and interest in and to the Project Facility shall be effected by the delivery by the Agency of the Termination of Lease to Agency and the Bill of Sale to Company. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such transfer of title); or
- (3) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements, or covenants of the Company under this Uniform Agency Project Agreement.

(B) No action taken pursuant to this Section 4.02 (including repossession of the Project Facility) shall relieve the Company from its obligations to make any payments required by this Uniform Agency Project Agreement and the other Basic Documents.

SECTION 4.03. RECAPTURE OF FINANCIAL ASSISTANCE. (A) General. Upon the occurrence of a Recapture Event that occurs during the Recapture Period, the Agency may require the Company to provide for the recapture of the project financial assistance provided as of the date of determination (the “Project Financial Assistance”), all in accordance with the terms of this Section 4.03. The Company

hereby agrees, if requested by the Agency, to pay within thirty (30) days to the Agency the recapture of the Project Financial Assistance, as provided in this Section 4.03.

(B) Project Financial Assistance to be Recaptured. The Project Financial Assistance to be recaptured, as adjusted by the provisions of Section 4.03(C) below, by the Agency from the Company upon the occurrence of a Recapture Event during a Recapture Period shall be an amount equal to a percentage (as provided in subsection (C) below) multiplied by the sum of the following:

(1) the portion of the amount of New York State sales and use taxes allocable to Yates County that the Company would have paid as of the date of determination in connection with the undertaking of the Project if the Project Facility was privately owned by the Company and not deemed owned or under the jurisdiction and control of the Agency;

(2) the amount of any mortgage recording tax exemption provided by the Agency to the Company in connection with the undertaking of the Project; and

(3) the difference between the amount of the payment in lieu of tax payments paid by the Company under the Payment in Lieu of Tax Agreement and the amount of the general real property ad valorem taxes that would have been payable by the Company to the Taxing Entities if the Project Facility was privately owned by the Company and not deemed owned or under the jurisdiction and control of the Agency.

(C) Amount of Project Financial Assistance to be Recaptured. Upon the occurrence of a Recapture Event, the Company shall pay to the Agency the following amounts as recapture:

Year	Amount of Recapture
2018	100% of the Project Financial Assistance
2019	100% of the Project Financial Assistance
2020	90% of the Project Financial Assistance
2021	80% of the Project Financial Assistance
2022	70% of the Project Financial Assistance
2023	60% of the Project Financial Assistance
2024	50% of the Project Financial Assistance
2025	40% of the Project Financial Assistance
2026	30% of the Project Financial Assistance
2027	20% of the Project Financial Assistance
2028	10% of the Project Financial Assistance

(D) Redistribution of Project Financial Assistance to be Recaptured. Upon the receipt by the Agency of any amount of Project Financial Assistance pursuant to this Section 4.03, the Agency shall redistribute such amount within thirty (30) days of such receipt to the Taxing Entity that would have received such amount but for the granting by the Agency of the Project Financial Assistance.

(E) Survival of Obligations. The Company acknowledges that the obligations of the Company in this Section 4.03 shall survive the conveyance of the Project Facility to the Company and the termination of the Lease Agreement.

(F) Agency Review of Recapture Determination. The Agency's determination to recapture all or a portion of the Project Financial Assistance shall be made by the Agency after an evaluation of the criteria for recapture set forth in the Agency's "Policy Respecting Recapture of Project Benefits" as in

effect as of the Closing Date (a copy of which policy is attached hereto as Schedule B). If the Agency determines that a Recapture Event has occurred, it shall give notice of such determination to the Company. The Company shall have thirty (30) days from the date the notice is deemed given to submit a written response to the Agency's determination and to request a written and/or oral presentation to the Agency why the proposed recapture amount should not be paid to the Agency. The Company may make its presentation at a meeting of the Agency. The Agency shall then vote on a resolution recommending (i) a termination of Financial Assistance, (ii) a recapture of Financial Assistance, (iii) both a termination and a recapture of Finance Assistance, (iv) a modification of Financial Assistance or (v) no action.

SECTION 4.04. LATE PAYMENTS. (A) One Month. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement within thirty days of the date that written notice of such payment is sent from the Agency to the Company at the address provided in Section 5.05 of this Uniform Agency Project Agreement, the Company shall pay the amount specified in such notice together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Uniform Agency Project Agreement when due and such delinquency shall continue beyond the thirty days after such notice, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the Agency until such payment in default shall have been made in full, and the Company shall pay the same to the Agency together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

SECTION 4.05. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. If the Company should default in performing any of its obligations, covenants or agreements under this Uniform Agency Project Agreement and the Agency should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency within thirty (30) days not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.06. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Uniform Agency Project Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of a Recapture Event or an Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency to exercise any remedy reserved to it in this Uniform Agency Project Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Uniform Agency Project Agreement.

(D) No Waiver. In the event any provision contained in this Uniform Agency Project Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release, or modification of this Uniform Agency Project Agreement shall be established by conduct, custom, or course of dealing.

ARTICLE II
COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF THE PROJECT FACILITY. (A) Assessment of the Project Facility. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of the Project Facility by the Agency and the filing by the Agency of a New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility, and for so long thereafter as the Agency shall own the Project Facility, the Project Facility shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities", and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease and the filing of the Real Property Tax Exemption Forms. The Company shall, promptly following acquisition by the Agency of the leasehold interest to the Project Facility created by the Underlying Lease, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an "Assessor"). For so long thereafter as the Agency shall own such leasehold interest in the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency becomes the owner of record of such leasehold interest in the Project Facility and the Real Property Tax Exemption Forms are filed with the Assessors. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Project Facility.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES. (A) Agreement to Make Payments. The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company also agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The payments due hereunder shall be paid by the Company to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the "Receivers of Taxes") for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to receive same pursuant to the provisions hereof.

(B) Valuation of the Project Facility. (1) (a) The value of the Project Facility for purposes of determining payments in lieu of taxes due hereunder (hereinafter referred to as the "Assessed Value") shall be determined by the appropriate Assessors. The Company agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The parties hereto agree that the Assessors shall (i) appraise the Project Facility in the same manner as other similar properties in the general area of the Project Facility, and (ii) place an Assessed Value upon the Project Facility, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes.

(b) The Assessed Value shall consist of two components, the base Assessed Value (the "Base Assessed Value") and the additional Assessed Value (the "Additional Assessed Value").

(c) The Base Assessed Value shall equal the value of the Land and the Existing Facility without taking into account the undertaking and completion of the Project.

(d) The Additional Assessed Value shall equal the value of the Addition and other capital improvements constructed pursuant to the undertaking and completion of the Project (the "Improvements").

(e) The parties hereto understand and agree that the Base Assessed Value and the Additional Assessed Value shall each change during the term of this Payment in Lieu of Tax Agreement as the Assessors appraise and re-appraise, as the case may be, the Project Facility during the term of this Payment in Lieu of Tax Agreement.

(f) The Company shall be entitled to written notice of the initial determination of the Assessed Value and of any change in the Assessed Value during the term of the Payment in Lieu of Tax Agreement.

(2) If the Company is dissatisfied with the amount of the Assessed Value of the Project Facility as initially established or as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Assessed Value, or of a change in such Assessed Value, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Assessed Value of the Project Facility for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Assessed Value has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Assessed Value or to determine a higher or lower Assessed Value. Any payments in lieu of taxes due upon the Project Facility pursuant to Section 2.02(C) hereof may not be withheld by the Company pending determination of the Assessed Value by the Arbitrators. The amount of payments in lieu of property taxes shall be the sum of the payments due pursuant to Sections 2.02(C)(2) and 2.02(C)(4) hereof, as computed below.

(C) Amount of Payments in Lieu of Taxes. The payments in lieu of taxes to be paid by the Company to the Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement shall be computed separately for each Taxing Entity as follows:

(1) First, determine the amount of general taxes and general assessments (hereinafter referred to as the "Normal Tax") which would be payable to each Taxing Entity if the Land and the Existing Facility were owned by the Company and not the Agency by multiplying (a) the Assessed Value of the Land and the Existing Facility determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Land and the Existing Facility if the Land and the Existing Facility were owned by the Company and not the Agency.

(2) In each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Land and the Existing Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Land and the Existing Facility shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to the Land and the Existing Facility for such tax year.

(3) Next, determine the Normal Tax which would be payable to each Taxing Entity if the Addition and any portion of the Equipment assessable as real property pursuant to the New York Real Property Tax Law (collectively with the Addition, the "Improvements") were owned by the Company and not the Agency by multiplying (a) the Assessed Value of the Improvements determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Improvements if the Improvements were owned by the Company and not the Agency.

(4) In each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Improvements shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Improvements shall be an amount equal to the applicable percentage of the Normal Tax due each Taxing Entity with respect to the Improvements for such tax year, as shown in the following table:

(5) In each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which any portion of the Project Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement with respect to the Project Facility shall be the sum of (a) the amount due each Taxing Entity with respect to the Land and the Existing Facility for such tax year, as determined pursuant to Subsection (C)(2) hereof, plus (b) the amount due each Taxing Entity with respect to the Improvements for such tax year, as determined pursuant to Subsection (C)(4) hereof.

(6) The Agency and the Company agree that the real property tax abatement provided by Section 2.02(C)(4) hereof is expressly limited to increases in the assessed value of the real property and improvements comprising the Improvements, and not the Existing Facility.

(D) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Project Facility or any portion thereof or any additional building or other structure shall be constructed on the Land (such structural additions and additional buildings and other structures being hereinafter referred to as "Additional Facilities") the Company agrees to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as "Additional Payments") to the Receivers of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the "Additional Normal Tax") which would be payable to each Taxing Entity with respect to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (E) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity) if such Additional Facilities were owned by the Company and not the Agency, the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(E) Valuation of Additional Facilities. (1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(D) hereof shall be determined by the

Assessors of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties in the general area of the Project Facility, and (b) place a value for assessment purposes (hereinafter referred to as the "Additional Assessed Value") upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Additional Assessed Value, or of a change in such Additional Assessed Value, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and the Agency. If the Agency, the Company and any Assessor shall fail to reach agreement as to the proper Additional Assessed Value of the Additional Facilities for purposes of determining payments in lieu of taxes due under this Payment in Lieu of Tax Agreement, then such Assessor, the Company and the Agency shall each select one arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall be a qualified real estate appraiser, experienced in valuation for the purposes of tax assessment in the general area of the Project Facility, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Additional Assessed Value of the Additional Facilities has been properly established by the Assessor. It is understood that the arbitrators are empowered to confirm the Additional Assessed Value or to determine a higher or lower Additional Assessed Value. Any payments in lieu of taxes due upon such Additional Facilities pursuant to Section 2.02(D) hereof may not be withheld by the Company pending determination of the Additional Assessed Value by the arbitrators.

(F) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "Tax Billing Officer") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(G) Time of Payments. The Company agrees to pay the amounts due hereunder to the Receivers of Taxes for the benefit of each particular Taxing Entity in any fiscal tax year to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for such payments.

(H) Method of Payment. All payments by the Company hereunder shall be paid to the Receivers of Taxes in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that, should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other

- 11 -

012402.00072 Business 16688952v2

governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including but not limited to water, solid waste, sewage treatment or sewer or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(B) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS. (A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due, the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due.

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III
LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. (A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants, and agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or Yates County, New York, and neither the State of New York nor Yates County, New York shall be liable thereon, and further such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation. Upon the occurrence of an Event of Default hereunder resulting from a failure of the Company to make any payment required hereunder, the Agency shall have, as a remedy therefor under the Lease Agreement, among other remedies, the right to terminate the Lease Agreement and convey the Project Facility to the Company, thus subjecting the Project Facility to immediate full taxation pursuant to Section 520 of the Real Property Tax Law of the State.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive. (B) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Payment in Lieu of Tax Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Payment in Lieu of Tax Agreement.

(D) No Waiver. In the event any provision contained in this Payment in Lieu of Tax Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. ANNUAL STATUS REPORT

January __, 20__

Re: New Project Verification

Dear:

The Yates County Industrial Development Agency (the "Agency") is currently providing assistance in connection with your project in the Town of Milo, Village of Penn Yan, Yates County, New York.

The Agency is required to file an annual report with the New York State Comptroller providing information on its activities, and the activities of projects that are assisted by the Agency. In order for the Agency to compile that report, it is necessary that we obtain information relating to assistance provided and benefits derived from all entities that receive such assistance. Failure by the Agency to file the report information required by New York State could result in the Agency losing its ability to provide future assistance or the entity suffering claw-back provisions and forfeiting benefits previously received. Therefore, it is important that this information be provided in an accurate and timely manner.

Attached please find a questionnaire to be completed and returned to the IDA by _____. If you have any questions regarding the required information, please do not hesitate to call our office.

We appreciate your assistance in this matter. A self-addressed stamped envelope is enclosed for your convenience.
